A photograph of a landscaped area featuring large, dark brown rocks, green plants, and a sign that reads "NEEDFUL THINGS GARDEN CENTRE". The scene is set outdoors with palm trees and a road in the background. A large, semi-transparent white graphic element, resembling a stylized letter 'N', is overlaid on the image.

UNIQUE OUTDOOR SPACES YOU'LL LOVE SPENDING TIME IN

From epic coastal locations to the highest mountain peaks, Aotearoa is a land of contradictions and rugged terrain.

The team at Northscape are New Zealand's landscaping specialists. We combine our experience in transforming challenging properties with a passion for creating exceptional exterior spaces. We offer a full range of services, including landscape design, construction and maintenance.

During your project, we'll take full advantage of your property, designing its outdoor areas to be as functional as an extra room for your house. This includes designing for all kinds of environments and weather conditions.

If you've got a big idea for your outdoor area, or if you want to hear some of ours... or if your outdoor space is 'so New Zealand', contact the experts at Northscape.

Northscape

DESIGN · BUILD · MAINTENANCE

CREATE YOUR DREAM OUTDOOR SPACE

Northscape aren't your ordinary landscapers. We'll work closely with you to conceive and create an exceptional outdoor area which complements your property and is as great looking as it is functional.

Make a statement with your outdoor area. From design to completion, we offer a full service to transform your property's garden space into a unique retreat.

Operating New Zealand-wide, Northscape specialises in creating, constructing and maintaining landscaping for challenging coastal and alpine environments.

Specialising in challenging terrain and new builds, Northscape are the experts in delivering unique landscaping and beautifully functioning outdoor areas.

When you work with our team, you'll benefit from engaging some of New Zealand's most visionary outdoor design professionals, who will personally see your project through to completion.

and clever solutions to
challenging terrain.

LANDSCAPE DESIGN

DESIGN THE ULTIMATE OUTDOOR ENVIRONMENT

Whether you have a big idea or a challenging landscape, Northscape will create a solution to match your vision.

Our experienced landscape design team will conduct a thorough site inspection before sitting down with you to discuss exactly what's possible for your home, educational facility or commercial venue.

Your outdoor space design will be innovative, practical and stylish. Talk to us about the latest innovations in outdoor areas and let's get creative!

From stunning terraces to purpose-built outdoor rooms, Northscape's design experts will combine unique concepts with tried-and-tested approaches.

- Landscape consultations and site analysis
- Concept garden design
- Garden makeovers
- Coastal garden design
- Irrigation system design
- Construction design and documentation
- Sourcing high quality plants and landscape materials

LANDSCAPE CONSTRUCTION

CALL THE OUTDOOR CONSTRUCTION PROFESSIONALS

Northscape are the experts in landscape construction for unique environments.

Our hand-picked team specialises in building luxurious gardens and outdoor areas. You can expect each step of your project to be completed with the care and attention to detail.

Constant communication between your garden designer and landscape construction team will ensure consistency throughout. Your landscape construction manager will be available to closely monitor timeframes, costs and quality, and ensure the finished project meets your expectations.

As New Zealand's outdoor landscape construction specialists, we have a vast skill set so you don't need to rely on multiple teams to get the job done.

SOFTSCAPING

- Planting, pebble, bark and mulching
- Garden makeovers
- Lawn installation (standard, ready lawn & synthetic turf)

HARDSCAPING

- Garden edging & borders
- Decks, stairs, steps, fences, seats, pergolas & gazebos
- Retaining walls (timber, rock, gabion, keystone/concrete block)
- Raised vegetable and flower gardens
- Paving, pebble, concrete patios, pathways & driveways
- Ponds & water features
- Garden lighting

LANDSCAPE MAINTENANCE

TAILORED CARE FOR YOUR OUTDOOR AREA

Your garden or outside areas need maintenance in order to look impressive and stay in good working order.

Contact Northscape for a custom care plan and friendly personal service. Our experienced team specialises in the care and maintenance of properties around New Zealand's unique coastal and alpine environments.

We maintain Private Residences, Resorts, Commercial Properties, Strata Complexes, Councils and Educational Facilities.

Once your property is complete, call on the people who created it to keep it looking great. We offer a bespoke maintenance service

- Regular garden maintenance visits
- One off garden tidy ups
- Site clearing
- Hedging & pruning
- Weeding
- Pest & disease treatment
- Planting
- Mulching
- Irrigation
- Lawn mowing & edging

MARKETS WE CATER TO

Commercial

Design, construct and maintain an outdoor space which matches the purpose and location of your commercial premises.

Estates

Create a unique outdoor environment that looks incredible and is so functional, it will feel like an extra room for your house.

Lifestyle

Northscape specialises in designing and creating outdoor rooms which are so comfortable, you'll never need to go indoors.

Hotel & Resort

Add to the appeal of your accommodation venue with cleverly designed and beautifully maintained grounds.

Education

A practical and functional exterior can extend the usable footprint of your educational facility.

Retirement Living & Healthcare

Add heating, shelter and level surfaces so your residents, patients and guests can enjoy spending time outside.

Residential

Create the outdoor space of your dreams with a new build or landscape renovation from Northscape.

AirBNB, Bed & Breakfast

A photogenic and well-functioning outdoor space will add to your property's appeal.

Sports & Leisure

Northscape specialises in creating user-friendly and strategically designed environments for sporting and leisure events.

Government

Construct and maintain great-looking exterior environments which are practical and cost-effective.

Get in touch with Northscape for an initial consultation about your landscaping needs. We'll work with you to develop the ideal garden design, construction or maintenance solution for you, wherever you are in Northland.
